

ProPhorce™ Exclusive NC

Waterproof protection

Product Description

Experience the power of ProPhorce™ Exclusive NC, the most complete solution for water. The combined effect of selected organic acids, partly esterified and the inclusion of essential oils has been proven in the field for many years. It is effective and easy to use. The addition of monobutyryns in the product helps improve animal performance and gut welfare. It is imperative to carefully and thoroughly manage the water regime to ensure that animals can get to perform at their maximum potential. The inclusion of ProPhorce™ Exclusive NC may also reduce the impact of biofilm formation and positively affect the animal production system.
